

Paper web site with GPC meeting minutes and replies to comments
<http://rhig.physics.yale.edu/~natrass/Research/web/paper/EnergyAndSystemDependence.html>

Aug. 3, 2009 – Christine leaves STAR.

Sept. 23, 2010 – Paper draft circulated to jetcorr PWG

Oct. 27, 2010 - formation of the GPC

Dec. 1, 2010 - First GPC meeting

Dec. 5, 2010 - version 1.3 distributed to GPC

Dec. 8, 2010 - GPC meeting

Dec. 15, 2010 - GPC meeting

Jan. 5, 2011 - GPC meeting

Jan. 11, 2011 - GPC meeting

Jan. 19, 2011 - GPC meeting. New figure added. Majority of the GPC ready to move forward to distribution to the collaboration, modulo small corrections.

Jan. 26, 2011 - GPC meeting. Lone dissenter on GPC opposes new figure.

Feb. 9, 2011 - Version 2.2 released to GPC

*Feb. 10, 2011 - Fuqiang requests plots of every possible combination of fit parameters - 12 new plots with 180 new data points. Christine contacts John and Helen to request help and backup.

*Feb. 12, 2011 - Fuqiang still refuses to justify the aforesaid plots.

Feb. 14, 2011 - PAs present new figure in working group. Working group approves new figure, over objections of lone dissenter.

*Feb. 14, 2011 - Christine contacts Lijuan to discuss options for moving forward above Fuqiang's dissent

*Feb. 14, 2011 - Christine writes John and asks for help. Emails exchanged.

*Feb. 16, 2011 - Fuqiang insists on additional model comparisons if we have any model comparisons. Authors agree in attempt to placate him.

Feb. 16, 2011 - GPC meeting

*Feb. 16, 2011 - Christine agrees to do fits with Fuqiang's proposed non-flow subtraction method

*Feb. 21, 2011 - Christine contacts PAs and Lijuan regarding how poorly Fuqiang's method works and requesting advice on how to proceed

Feb. 23, 2011 - GPC meeting

Mar. 2, 2011 - GPC meeting

*Mar. 2, 2011 - Fuqiang opposes inclusion of any model comparisons in plot, despite requesting more model comparisons

*Mar. 3, 2011 - Fuqiang insults Christine & PAs in emails sent to the entire GPC, claiming that the paper is sloppy

Mar. 13, 2011 - version 2.6 is distributed to the GPC

Mar. 22, 2011 - draft of email to request release of paper to collaboration is distributed to GPC

Mar. 25, 2011 - Lone dissenter requests time-consuming cross check the day before paper to be released

*(This is the vtx z cut request)

*Apr. 17, 2011 – asked John for help. Emails exchanged.

Apr. 19, 2011 - GPC meeting

Apr. 26, 2011 - Christine accused of hacking into BNL and her STAR computer account suspended because she is still working on analysis

Apr. 28, 2011 – Christine's STAR computer account reinstated

May 2, 2011 - GPC meeting

May 11, 2011 - GPC meeting

May 12, 2011 - Lone dissenter asks for time-consuming modification right before Quark Matter

*May 12, 2011 - Fuqiang attacks Christine's integrity (again) for asking whether & when the paper will be released

*May 13, 2011 - Christine asks John for help

May 14 – June 18, 2011 – Christine at CERN for Quark Matter, ALICE shifts, and a conference. No paper progress.

July 2 – 17, 2011 – Christine on first vacation in two years. No paper progress.

*May 20, 2011 - Christine asks John for help

July 22, 2011 - PAs send out version 2.10

*Aug. 3, 2011 - Christine asks John for help

Aug. 4, 2011 - All GPC members sign off on paper

Aug. 7, 2011 - paper released to collaboration

Aug. 21, 2011 - End of two week comment period

*Sept. 1, 2011 – Christine and Jana distribute paper comments to Helen and Joern

*Sept. 7, 2011 – Helen and Joern get back to Jana & Christine with approval of comments

Sept. 7, 2011 - PAs distribute replies to comments to GPC for approval

Sept. 15, 2011 - PA replies distributed to collaboration

*Sept. 15, 2011 – Helen makes last minute request to change paper terminology. Christine indifferent but insists someone else must implement it. Jana agrees to implement it.

*Sept. 19, 2011 - Christine asks to talk to John about paper

*Sept. 21, 2011 – Terminology change finally implemented.

Sept. 22, 2011 - PAs request permission to submit from Nu & Xin

Sept. 26, 2011 - Additional minor comments from collaboration

Sept. 27, 2011 - Replies to additional comments from collaboration distributed

Sept. 27, 2011 - PAs request permission to submit from Nu & Xin
